

6

REMARKS

The Examiner allowed claim 19 and found claim 14 would be allowable if rewritten in independent form including all the features of the base claim and any intervening claim.

Accordingly, claim 1 was amended to include all the features of claim 14, its base claim, and any intervening claim. Therefore, amended claim 1 is allowable. All other claims either depend from this allowable claim or were already allowed.

It is believed that the foregoing fully responds to the objections and rejections entered by the Examiner and places this application in condition for allowance, which action is respectfully requested.

Respectfully submitted,
Deborah Shelley
